MEMORANDUM FOR THE RECORD

SUBJECT : 50' Radar Dish

25X1

1. [] reports that seven (7) 50-foot inflatable rubber radar dishes, which at 420 MG gain 33 db, were made some time ago and that one is erected at Seymour Johnson AFB, North Carolina. He believes that six of the seven may be on a shelf at some depot. A Mr. John Purdy, Rome Development Center, was project officer for the dishes.

25X1

2. The above dish may be useful to OXCART [] requirements. Colonel Leo Geary has been asked to try to locate the spare dishes and specifications.
